# The Innkeeper Tales

*Modern-Day Canterbury Tales  
To Entertain, Enlighten & Empower*

Welcome to the **Abacrombie**, a bed and breakfast in Baltimore. A real place where guests from all over the world stay. And herein are some tales told over the breakfast table. You see, it's easier to let your hair down with strangers than with friends. The snow is falling. And the guests can't leave. Come listen to their stories.

Read the tales and sagas from **Tuck, Ben, Randy, and Tim** who survived divorce, business failure, scandal, and corruption. Read about **Mike and Enzo**, who regale their younger years and pose insightful queries to the worlds of love, success, and a darker tale. Meet **Jim** the builder.

Visit with **Jeff and Tony and Rick**. Discover **Eric's** movie adventure. Hear the Alpha Male stories of conquest and sex. Find out how **Danny** won and lost it all. See if politician **Pete** won his election.

And when you finish their stories, see how you feel about coming to the **Abacrombie** and telling yours.

### DANNY'S TALE:

It was true. Danny had indeed done all he could. Now his life was in shambles. He was broke. He was separated from

his wife and kids. He was unemployed. The shock of his total failure was crashing in on him.

**TUCK'S TALE:** "Jets. Sweet mother. Supersonic white rockets like the astronauts flew. Jets that looked like little bugs on the ground and climbed to the skies at unbelievable speed," Tuck rhapsodized. "I was hot to go."
